LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

White Lines Padel Centre will operate as a family-friendly sports and leisure facility. The premises will be managed by suitably trained staff and will implement policies and procedures to promote the licensing objectives. Staff will receive regular training on licensing laws, responsible alcohol retailing, age verification, health and safety and emergency procedures. Management will review incidents and procedures regularly to ensure the premises operate safely and responsibly

b) The prevention of crime and disorder

A digital CCTV system will cover entrances, exits, the café and bar service area, principal customer circulation areas and external customer areas. CCTV will not be installed in toilets or changing facilities. Recordings will be retained for a minimum of 30 days. When the premises are open, a trained member of staff capable of operating the CCTV system and providing footage will be available. An incident and refusals register will be maintained and made available to authorised officers upon request. Staff will receive training in the responsible sale of alcohol and recognising signs of intoxication. Persons who are intoxicated, abusive or disorderly will not be served and may be asked to leave the premises.

c) Public safety

Appropriate first-aid equipment will be available on the premises. First-aid arrangements and staff training will be maintained in accordance with the premises' documented first-aid needs assessment. Occupancy levels will be monitored to ensure that the safe capacity is not exceeded. Equipment and customer facilities will be subject to appropriate inspection and maintenance arrangements

d) The prevention of public nuisance

Management will take all reasonable steps to minimise noise from customers leaving the premises. Notices will be displayed requesting customers to respect neighbouring properties and leave quietly. Any external areas will be monitored to prevent excessive noise or disturbance. Waste collections, bottle disposal and deliveries will be managed to minimise disturbance where practicable. Any amplified music will be maintained at an appropriate level and controlled by management.

e) The protection of children from harm

A Challenge 25 policy will operate at all times. Acceptable photographic identification will include a passport, photocard driving licence or a proof-of-age card bearing the PASS hologram. A refusals register will be maintained. Staff involved in alcohol sales will receive age-verification training. Alcohol will not be sold to, or purchased on behalf of, anyone under the age of 18. NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
