LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Insomnia Cookies understands that in applying for a Late Night Refreshment Licence between 11pm and 5am, we have a duty to the local community and to protect our staff and customers from danger and harm. We believe that the systems we have put in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives. It should be noted that we do not sell alcohol and further none of our drinks or food are served to customers in glass receptacles.

Insomnia Cookies will open from 10am to 5am every day for the sale of sweet treats, primarily selling warm cookies and hot drinks, cold drinks and cakes.

There is a limited amount of seating and we anticipate a majority of customers will takeaway

We are eager to work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives. We also seek to work with the local communities, whom we serve, in achieving a successful cohesion between our business operations and our neighbours. We pay every employee more than the real Living Wage, run a cookie donation programme and volunteer in the local community.

Vegan, gluten free and Halal options are available and we use no artificial ingredients.

Insomnia Cookies will sell products on-line but intend to use employed delivery drivers to minimise the risk of nuisance. Where third party delivery services are used, Insomnia Cookies will work with them to ensure they minimise any potential nuisance.

b) The prevention of crime and disorder

Insomnia Cookies is keen to work in partnership with the local police service to prevent crime and disorder.

CCTV

Insomnia Cookies operates a robust CCTV Policy to ensure compliance with Data Protection Legislation and to assist the Police with the prevention and detection of crime. At all stores where CCTV is in operation appropriate signage reflecting this information is displayed.

Continued from previous page...

CCTV is inside the premise and images are retained on a cloud based system for 31 days. All CCTV equipment is of a standard suitable to record images of a proper quality and it meets the industry standard. The CCTV system is regularly serviced by qualified maintenance technicians.

Access to the CCTV system will be provided to Police Officers at their request.

All shift managers have safety and security training and the need for doorstaff will be risk assessed.

c) Public safety

Insomnia Cookies is keen to work in partnership with the local Fire Service and Environmental Health Officer to ensure public safety. There are safety systems in place to protect the safety of customers and staff at all times. We will work with the local Environmental Health Office and local Fire Service to ensure we are complying, as far as reasonably practicable, with relevant Health and Safety and Fire Safety Legislation.

All staff receive comprehensive safety training to ensure that safe working methods are adopted and all staff are trained on the evacuation procedure in the event of a fire or other dangerous occurrence.

This store operates a "No Open Alcohol Containers" policy to prevent persons carrying open alcohol into the in-store area.

d) The prevention of public nuisance

Litter

Insomnia Cookies is committed to reducing packaging and litter. We provide a recycling bin and a general waste bin inside the premises and will pick up litter in the immediate vicinity. All paper bags and napkins are recyclable and sourced sustainably. We do not use single use plastic. All packaging is branded. We are happy to act on recommendations from the Environmental Health Officer as far as this is reasonably practicable.

Noise

Where it is practical to do so we are content to put measures in place to limit noise. The doors are self-closing and we will encourage our customers to be considerate to our neighbours and to limit noise both when ordering their food and on leaving the local area.

e) The protection of children from harm

Insomnia Cookies do not anticipate that unaccompanied children will use the restaurant in the extended hours period covered by this licensing application. We do however take their safety extremely seriously and will ensure that they are protected from harm at all times when visiting Insomnia Cookies.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
