Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

These premises have the benefit of an existing premises licence. This application is being made on same/similar terms as the existing premises licence for these premises (licence number 225004) with the same conditions; and will exist as a “shadow” licence. Therefore, the following conditions will apply to this application:

1. The sale/supply of alcohol for consumption off the premises is only permitted to customers using any external seating area authorised to be used under a pavement licence.
2. A CCTV system with recording equipment must be installed and maintained at the premises and operated with cameras in positions agreed with the Police. All recordings used in conjunction with CCTV must:
 - Be of evidential quality in all lighting conditions.
 - Ensure coverage of all entrances and exits to the premises and be capable of providing clear identification of all customers entering.
 - Indicate the correct time and date; and
 - Be retained for a period of 31 consecutive days.

A member of staff trained to use the system must be on duty at all times licensable activities are taking place, as the recorded images must be available for inspection immediately upon request to Police or an authorised Officer of the Licensing Authority. A system must be in place to provide images for uploading to the NICE link or similar digital evidence gathering system immediately upon request to the Police.

3. There must also be adequate portable hardware (such as compact disks or USB storage devices) at the premises, as the recorded images must be available for downloading immediately upon request to officers of other Responsible Authorities, or the Police where the premises are unable to use the NICE link.
4. All images downloaded from the CCTV system, not using the NICE link, must be provided in a format that can be viewed on readily available equipment without the need for specialist software.
5. The Designated Premises Supervisor, (or authorised person in their absence) must inspect and test that the CCTV system is fully operational and working in compliance with the above conditions on a weekly basis. A signed and dated record of such examination and any findings must be retained at the premises for at least 12 months and must be made available for inspection and copying by the Police, or other officers of a Responsible Authority, immediately upon request.
6. A Challenge 25 scheme must operate at the premises. Any person who appears to be under 25 years of age must not be sold/supplied alcohol unless they produce an acceptable form of identification (passport, photo driving licence, Military Identity card or PASS accredited card, or a similar approved version of a digital form of identification).
7. A Challenge 25 notice must be displayed in a prominent position throughout the premises.
8. A bound and sequentially paginated refusals book or electronic record must be kept at the premises to record all instances where admission or service is refused. Details to show:
 - The basis of the refusal.
 - The person making the decision to refuse; and
 - The date and time of the refusal.

Such books/records to be retained at the premises for at least 12 months and must be made available for inspection and copying by the Police, or other officers of a Responsible Authority, immediately upon request.

9. Training records must be kept recording staff training and advice including the following areas:

- preventing underage sales of alcohol.
- how to refuse a sale to persons under 18 years of age.
- Challenge 25 age verification, including acceptable forms of proof of age.
- preventing proxy sales of alcohol to underage persons.
- preventing sales of alcohol to a person who is drunk.
- Licensing objectives; and
- Premises Licence Conditions specific to the premises.

This training must be on-going, and each member of staff must be reviewed at least every 6 months. Such records to be retained at the premises for at least 12 months and must be made available for inspection and copying by the Police, or other officers of a Responsible Authority, immediately upon request.

10. Members of staff must not be permitted to sell/supply alcohol until they have successfully completed the training as per the above condition.
11. A bound and sequentially paginated incident/accident book or electronic record must be kept recording all instances of:
 - Incidents and crimes which occur within the premises.
 - Disorder at the premises.
 - Ejections from the premises.
 - Complaints received at the premises.
 - Lost property found or handed to staff at the premises.
 - visits by an officer of a responsible authority.

All such records are to be made available for inspection and copying by the Police and other officers of Responsible Authorities immediately upon request, and all such records to be retained at the premises for at least 12 months.

12. No persons carrying open vessels containing alcohol must be admitted to the premises at any time.
13. No persons must be permitted to remove open vessels of alcohol from the premises except for consumption in any external seating area authorised to be used under a pavement licence.
14. All bottles and glasses must be removed from the public areas as soon as they are either finished with, or empty.
15. The Designated Premises Supervisor, (or authorised person in their absence) must take all reasonable steps to ensure that patrons awaiting entry to the premises or leaving the premises do not cause annoyance or nuisance to any other person in the vicinity of the premises.
16. Clear notices must be prominently displayed at the exit of the premises requesting customers to leave the premises and the area in a quiet and orderly manner.
17. The Designated Premises Supervisor, (or authorised person in their absence) must attend Pubwatch or similar scheme in their area.
18. Persons under the age of 16 years must not be permitted to enter or remain on the premises after 22:00 hours.
19. Security Industry Authority door supervisors must be employed at the premises on occasions as deemed necessary by the designated premises supervisor following a risk assessment and on occasions when requested by and following consultation with the Police.
20. The Designated Premises Supervisor must ensure that any Security Industry Authority door supervisors employed at the premises wear, and clearly display, their Security Industry Authority licence at all times whilst on duty.
21. A bound and sequentially paginated book or electronic record must be maintained at the premises containing the names, home addresses, dates of birth, telephone numbers, Security Industry Authority licence number, of Security Industry Authority door supervisors employed on any particular day. These records must be kept at the premises for at least 12 months and must be made available for inspection and copying by the Police and other officers of Responsible Authorities immediately upon request.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you

have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
