Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The premises is an established local convenience store which has been serving the surrounding community for a number of years. The applicant has recently made a significant investment in renovating, modernising and completely refitting the premises to provide an upgraded convenience store with an improved range of food, groceries and other services for local residents. As part of the refurbishment, the internal layout of the premises has changed. An updated premises plan showing the new layout following the refitting is enclosed with the application. As part of these improvements, the applicant is seeking to operate the premises on a 24-hour basis. This has been requested by many existing customers and is intended to meet the needs of the local community, including customers who require access to essential food, groceries and other convenience services outside normal retail hours. The sale of alcohol will form only part of the overall convenience store operation. Alcohol will be displayed and stored in designated areas within the newly refitted premises. Beers will be located securely towards the rear of the store, wines will be displayed within the middle section of the premises, and spirits will be securely located behind the counter under the direct control and supervision of staff. These locations are identified on the enclosed updated premises plan. The applicant is an experienced operator who has previously managed 24-hour premises and has substantial experience in the operation and management of licensed retail premises. He is familiar with the area, the local community and his responsibilities under the Licensing Act 2003. The applicant also lives close to the premises, enabling him to maintain close oversight of the business and to attend the premises promptly whenever required. The intention is to operate a professionally managed, safe and responsible 24-hour local convenience store which provides an improved service to the community while promoting all four licensing objectives.
