5<sup>th</sup> October 2018

Dear Mrs Mostyn

Thank you very much for your generous donation to NWT's Nature Reserve Fund. Your support will make a real difference in our aim to ensure everyone has the opportunity to experience wildlife in their daily lives.

It will help us to:

- Continue with our woodland management plans at places like Bunny Wood to open up areas for extra light to encourage more wildflowers and rare butterflies such as the white-letter hairstreak.
- Use traditional techniques to manage our meadows so rare plants such as the green winged orchids in Ashton's Meadow can thrive.
- Continue developing our wetland reserves to enhance the numbers and range of breeding, wintering and passage bird species found at our sites.

Thank you again for your valued support of our work. Our work would not be possible without you.

Kind regards,
