

Free oral health training for Children's services

The Oral Health Improvement Team for Community Dental Services in Nottingham are working in partnership with Nottingham City Council to provide free Oral Health training to professionals working with Children in the city. This includes nursery workers, childminders, primary school teachers or any professional who works with children aged 0-11 years within Nottingham City.

Children's Services - Oral Health Training

Wednesday 4th December 2024 - 14:00pm - 16:00pm

[Click here to access the training session](#)

Thursday 5th December 2024 - 10:00am - 12:00pm

[Click here to access the training session](#)

Gain valuable knowledge on:

- Why oral care is important
- Advice on brushing and toothpaste guidance
- Diet advice
- Preventative care
- Accessing a dentist and much more!

No pre-registration is required, just click on your preferred time above to join the training on the day.

We would highly recommend using a laptop, PC or iPad to join the training and avoid using a phone, as previously there have been issues with viewing and hearing the presentation and videos.

Attendees will receive an oral health certificate including CPD hours on completion.

If you would like to know more about our training opportunities, please contact us on oralhealth.nottinghamshire@cds-cic.uk or visit our website:
