#### VARIATION

Do you want the proposed  
variation to have effect as  
soon as possible?

☒

Yes

☐

No

Do you want the proposed variation to have effect in relation to the  
introduction of the late night levy?

☐

Yes

☒

No

You do not have to pay a fee if the only  
purpose of the variation for which you are  
applying is to avoid becoming liable to the  
late night levy.

If your proposed variation  
would mean that 5,000 or  
more people are expected to  
attend the premises at any  
one time, state the number  
expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Application to extend licensable activities until midnight. This premises licence was granted in August this year for the sale of alcohol until 23:00, following consultation with responsible authorities. Since opening there have been some enquiries to the venue for private parties until midnight and this application is crafted to respond to that. The grant application contained the following conditions aimed at the prevention of public nuisance licensing objective:

- Signs shall be placed at all exits asking customers to respect the needs of local residents and requesting that they leave the premises quietly.
- Deliveries shall only be accepted by the premises between the hours of 07:00 and 19:00.
- The premises shall have an operational dispersals policy and noise management plan.
- No noise will emanate from the premises so as to cause any nuisance to any noise sensitive premises in the vicinity.

Given this application is limited to an extension of licensable activities to midnight from 23:00, namely one hour, and taking into consideration where the premises is situated, the applicant considers these condition provide sufficient mitigation against the relatively limited increase in licensable hours applied for.

The opening time is only being extended by 30 minutes.
