## Here at NBV we understand the challenges you face and are passionate about helping enterprising individuals start their own businesses.

Why not let our inspirational trainers impart their knowledge and experience of running their own companies, to help you build a solid foundation for your business?

Our Starting in Business programme is designed to equip you with the tools and practical tips to get your idea to the next level.

Some of what we cover in the workshops:

- Skills needed to run a business
- Importance of business planning
- How to market your business
- How to price your product or service
- How to manage money
- What to include in your business plan?

The key benefits to attending:

- You will be better equipped to turn your idea from dream to reality
- Your confidence will grow to enable you to move your idea forward
- You will be able to price your product or service to be competitive within the marketplace
- You will learn the fundamentals of how to market your business
- You will be able to produce a viable business plan

This project is funded by the UK Government through the UK Shared Prosperity Fund and delivered locally by NBV Enterprise Solutions Ltd
