Welcome, apologies and introductions:

Notes accepted as a record of the last meeting.

Documents for MHCLG:

Board need to discuss, amend and finally approve the draft documents circulated prior to the meeting with the 10 year vision document, the 4 year regeneration plan, following approval of the draft budget the previous week. All documents need to be agreed and submitted to MHCLG for approval by noon on 28th November 2025. The Section 151 Officer (Chief Finance Officer) will need to give approval to the plans before they can be sent off too, which makes the sign off deadline the meeting on 20th.

10 year vision document:

Discussed the document in detail, and amended some of the wording on the objectives, and included more details around the history of the area. Grammar and typos amended.

Once amended agreed that this was complete and ready for submission to MHCLG.

Regeneration Plan document:

Discussed the document, and amended some of the wording, grammar and typos.

Once amended agreed that this was complete and ready for submission to MHCLG.

Progress from here:

Thank you to all who contributed to the development of the documents, they will now be amended (already draft documents are on the platform ready to amend) and sent to the Section 151 Officer for approval before submitting the MHCLG. The understanding is that they will look at them in detail and make any suggested amendments, but it's not a pass/ fail process as the

documents reflect local priorities. This process will continue and the funding is expected to be released to Nottingham City Council at the beginning of the new financial year.

Next meeting dates: – Thursday 22nd January, 26th February and 26th March 2026, all 5.30-7pm at Hope Church (or Teams if required). Claire to send out calendar invitations.
