Nottingham City Early Years SEND Team

Nottingham Family Hubs

Nottingham Early Help Partnership

About us

We are a team of specialist early years educators.

We work as part of the SEND Inclusion Support Service in Nottingham City

Our Aims

We aim to support the development of young children's play, communication, relationships and foster their full participation in day to day life within the family, early years setting and wider community.

Our Beliefs

We believe that parents/carers are key figures in the learning and development of their children.

We believe that all children should have the opportunity to have learning experiences outside the home, including at early years settings

We believe all children have a right to learn and to achieve success.

Working with other professionals

We work closely with other teams such as Speech and Language Therapists and practitioners working in Early Years settings.

We offer...

Free weekly drop-in sessions across the city during term time

Stay and play alongside other families. Gain support and advice from our team. Give your child the opportunity to begin their learning journey in a safe and inclusive environment.

Short packages of home learning support

Work in partnership with us to develop a unique home learning plan for your child.

Transition support

Short packages of support when your child starts an Early Years Setting.

Advice and support for practitioners working with SEND children in Early Years settings

Continued support when child starts their learning journey beyond the family home.
