Nottingham Local Plan Review

Nottingham City Council is publishing this Notice of Scoping Consultation to invite representations on the preparation of the new Nottingham Local Plan through the following consultation documents:

The consultation relates to the whole [administrative area of Nottingham City Council](#).

The purpose of the consultation is to give residents, businesses, community organisations, landowners, developers, infrastructure providers, statutory consultees and other stakeholders an opportunity to comment on the key planning issues, opportunities, priorities and evidence requirements that should inform preparation of the new Nottingham Local Plan.
