## Section 18 of 21

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Comprehensive training will be offered to all staff members, encompassing key areas such as preventing the underage sale of alcohol, avoiding proxy sales of alcohol to minors, and refraining from selling alcohol to individuals who are inebriated. Detailed training records will be meticulously maintained to document staff training and guidance.

All relevant books and records, containing vital information on staff training and advice, will be securely stored on the premises for a minimum of 12 months. These records will be accessible for inspection and duplication by law enforcement, including the police and other officers of Responsible Authorities, promptly upon request.

Furthermore, it is imperative that the premises have substantial provisions of food and non-intoxicating beverages available at all times when the sale of alcohol is permitted.

b) The prevention of crime and disorder

A meticulously bound and sequentially paginated incident/accident book or electronic record will be diligently maintained to document all occurrences of disorder, property damage, and personal injuries transpiring at the premises. These records, whether in book or electronic form, will be securely retained on-site for a minimum of 12 months. They will be readily accessible for inspection and replication by the Police and other officers of Responsible Authorities upon immediate request.

Similarly, a bound and sequentially paginated refusals book or electronic record will be upheld on the premises to meticulously document all instances of admission or service refusal. This record will include pertinent details such as the basis of refusal, the individual making the refusal decision, and the date and time of the occurrence. Like other records, this book or electronic record must be maintained on-site for at least 12 months, available for prompt inspection and copying by law enforcement and Responsible Authorities.

In addition to record-keeping protocols, comprehensive security measures will be implemented, including the installation of a site-wide alarm system, ample lighting throughout the premises, and the use of a secure, lockable safe for valuables and money.

c) Public safety

Staff training will be provided on fire and safety.

**Continued from previous page...**

Staff will also be made aware of premises occupancy and to be aware of dealing with overcrowding.

First aid box and incident box will be always kept on site.

**d) The prevention of public nuisance**

The installation of cctv will offer a preventative measure and also act as a good deterrent to possible antisocial behavior. The CCTV system with recording equipment will be installed and maintained at the premises and operated with cameras in positions agreed with the Police covering all areas of the premises excluding toilets. All recordings used in conjunction with CCTV must be of evidential quality in all lighting conditions. It will indicate the correct time and date; and be retained for a period of 31 consecutive days.

A member of staff trained to use the system will be on duty at all times and there will be adequate portable hardware (USB storage devices) at the premises, as the recorded images will be available for inspection and downloading immediately upon request to officers of Responsible Authorities.

All images downloaded from the CCTV system will be provided in a format that can be viewed on readily available equipment without the need for specialist software.

Staff training will be given to ensure that customers when leaving do so in a moderate manner. A stagger time from business close to customers leaving will be given to allow for customers to disperse in smaller groups, limiting noise on exit. Staff will always be trained to keep the outside of the premises clear from rubbish and to make sure customers dispose rubbish appropriately.

**e) The protection of children from harm**

A Challenge 25 scheme shall operate at the premises. Any person who appears to be under 25 years of age shall not be served alcohol unless they produce an acceptable form of identification (passport, photo driving license, Military Identity card or PASS accredited card).

Challenge 25 notices will be displayed in prominent positions throughout the premises.

Company policy will ensure children under the ages of 18 must be accompanied by a responsible adult after 21.00hrs.

**Section 19 of 21**

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

**Continued from previous page...**

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

***Continued from previous page...***

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**DECLARATION**

[Applicable to individual applicants only, including those in a partnership which is not a limited liability partnership] I understand I am not entitled to be issued with a licence if I do not have the entitlement to live and work in the UK (or if I am subject to a condition preventing me from doing work relating to the carrying on of a licensable activity) and that my licence will become invalid if I cease to be entitled to live and work in the UK (please read guidance note 15).

The DPS named in this application form is entitled to work in the UK (and is not subject to conditions preventing him or her from doing work relating to a licensable activity) and I have seen a copy of his or her proof of entitlement to work, if appropriate (please see note 15).
