1. Minutes of the last meeting

Notes accepted as a record of the last meeting.

2. Survey and engagement update

Survey live and good take up in first week, thank you to those who have shared the link on social media and to contacts especially given some of the questions that would have been answered with a press release. Stall on Clifton Market on Friday 21st, and engagement event on 22nd on Clifton Playing Fields. Brief discussion of results. Agreed that meeting to look at Police feedback in questions 1 and 2 will be looked at separately. Broadly results have shown what was expected. Agreed we need to build in sustainability and look at potential options for current/ future vacant buildings, e.g. Cornerstone café space. Will need to be a mixture of short term and medium term projects, but communicate this with the public so trust is not lost.

3. Update on work to date and next steps/ meeting dates

Logo design has been listed as a job for graphic designers who work with NCC to pick up – Claire to chase with Design and Print.

Publicity and press releases are still on hold until following the election, although the survey will be in the next edition of Clifton News. Agreed that the board will provide regular updates to Clifton News as a standing item.

Next steps – using each meeting to focus on a specific topic. Also include presentations of information from young people from Farnborough who have received Nottingham Citizens' training and held a listening exercise, and representation from Parks to help with planning work.

Dates of future meetings:

- 25th June, 5-7pm– Clifton Cornerstone

- 2nd July, 5-7pm – Clifton Cornerstone
- 11th July 4-6pm – Hope Church (earlier to include young people presentation)
- 18th July 5-7pm – Clifton Cornerstone

4. Schedule of interests

Board members reminded to update the schedule of interests if there are any changes. Also discussed potential conflicts of interest as the discussions progress on what will/ won't be included in the initial 3 year plan.

5. Actions from Board Members from last meeting

None that have not already been discussed.

6. Any Other Business

Thank you to Edward Peck and NTU for kindly hosting the meeting and tour of facilities.
